¹ Manufacturers may have many manufacturing sites. This list reflects the specific manufacturing site that has been evaluated or undergoing reassessment as part of the prequalification process and is currently prequalified.

² Prequalified products and the respective manufacturing site must undergo a prequalification reassessment process every 3 years to maintain prequalification status.

³ The plain or natural parallel smooth condom is prequalified for all manufacturers listed. The textures listed have been included in the STED submitted for prequalification.

⁴ Undergoing prequalification reassessment. Remains listed until found to not meet requirements during reassessment. Pending CAPA submission period extended due to COVID-19 pandemic.

⁵ Prequalification on-site inspection is postponed due to COVID-19 pandemic.

⁶ Procurers strongly recommended to check with the manufacturers for the most recent and available colors and flavors. A risk assessment should be carried out for any new flavours
